

Adoption Agreement

This is a rescued rabbit. Our number one priority is to make sure these rabbits never know what it's like to again be abused or neglected.

1. I agree I am adopting this rabbit as a family and I will ensure it is properly housed, fed, socialized and kept safe from predators.
2. I agree if I can no longer keep this rabbit, I will contact Day Dreams Farm and the rabbit will be placed back with the rescue.
3. I will NOT breed this rabbit. Rabbits CAN and SHOULD be altered by a licensed veterinarian.
